

**7<sup>th</sup> meeting - agenda**  
**Reference Group for overall project steering, management, and scoping**  
**Global wind energy shipping and logistics PhD research project**

**High level agenda:**

1. Meeting opening, welcome, and agenda review during working lunch
2. New/changed Reference Group member organizations/changed participants – short introduction by new participants
3. Detailed review of the logistics share of operating expenditure as well as operations and maintenance
4. Short review of scoping of PhD research project efforts from first meetings
5. Key activities since last meeting. Focus on:
  - a. The “speed boats” from the PhD “mother vessel”
  - b. Government relations and tailor-made grants (Horizon 2020)
  - c. Concurrent dissemination of research results and findings
6. Update on academic progress, 11-month plan, and plans going forward
7. Wrap-up, preparation for “gå-hjem” meeting, and date/venue for next meeting
